SANTA CLAUS FOUND. Womeerful discoveries in the world have been made among other things where Santa Claus stayed Children oft ask if he makes goods or not, if really he lives in a mountain of snow.

Last year an excursion sailed clear to the Pole and suddenly dropped into what seemed like shole Where wonder of wonders they found a new land, while tairy-lika beings appeared on each hand. There were mountains like ours, with more beautiful green, and far hyloher shim the Greatest Discovery of the Age.

beautiful green,
And far brighter skies than ever were seen,
Birds with the huse of a rainbow were found,
While flowers of exquisite fragrance were grow
ing around.

Not long were they left to wonder in doub;
A being soon came they had heard much about,
Twas Santa Claus' self and this they all say,
Be leoked like the picture? essee every day.
He drove up a team that looked very queer,
Twas a team afgrashoppers instead of reindeer,
He rode in a shell instead of a sleigh,
But he took them on board and drove them
away.

away.

He showed them all over his wonderful realm,
And factories making goods for women and men
Furriers were working on hats great and small,
To Bunce's they said they were sending them all,
iris Kingle, the Glove Maker, told them at once,
All our Gloves we are sending to Bunce,
Sauta showed them suspenders and many things more.
Saying I also took these to friend Bunce's store.
Santa Claus then whispered a secret had tell.
As in Omaha every one knew Bunce well.

and a number of pieces of the same material from which it is made. The following is a partial list of the rob-He therefore should send his goods to his care,
Knowing his friends will get their full share.
Now remember ye dwellers in Omaha town,
All who want presents to Eunoe's go round,
For shirte, collars, or gloves great and email,
Bend your sister or sunt one and all.
Bunce, Champion Hatter of the West, Douglas
rect, Omaha.

A SUCCESSFUL BAND OF ROBBERS IN NE- watches and jewelry from the pess. P ice 25 cents per box. For sale by vada. sengers, valued at \$300, and also \$300 8 ly J. K. ISH Omaha. in coin from the company. On June 14th they encountered a stage in the s me place and robbed the company

and Bodie has since the 4th of May of \$270, not molesting the passengers on this occasion. They came before last, and up to the 5th inst., been a dangerous one for those whose busithe put lic again on the 6th of Aug-ut, carrying off a booty of \$1,500 ness or pleasure forced them to make its journey. Stage, horsemen, and belonging to the company, and relieved a passenger of a \$200 watch. On the 31st of August ot-traveler have all paid tribute to the agents who infested this road. A score of times between the dates rethey appeared once more upon the ferred to above the stage plying be-tween the towns has been stopped, ginis stage was midway between Bodie the treasure box rifled of its contents, and Virginia City when the driver was and the passengers forced to deliver at accosted and commanded to "halt." the muszle of a shot-gun in 'he h nds Contrary to expectations, he did not of a masked robber, who deftly caused obey, but dashed off. The robbers the transmission of the valuables from thereupon fired shot after shot at him. the pockets of the stage occupants to but the driver escaped unhurt. On September 2, as the stage was bound his own, while another bold, bad man covered the driver with another shotfrom Carson to Bellville, it was robbed gun during the proceedings. Several of \$50 and some packages of nominal attempts have been made to capture value. Considerable of the proper:y these two men, for it appears there recovered from Sharp has been identi-fied by the pursons who lost it during the robberies It is stated that the were but two engaged in the pastime, but they resulted in failure until the 5 h inst., when one of the highwayamount of money realized by Sharp and Keefe from their various depreafter securing the contents of Wells, dations aggregates over \$6000, besides Fargo & Co.'s box, escaped for the time being. The egg traffic of this country has waymen then retraced their steps risen to an importance of which few comprehend. The aggregate transac-tions in New York city alone must toward Carson until at a point about nine miles from Wellington Station, where they erected a barricade and amount to \$8,000,000 per annum, and awaited the appearance of the down in the United States to \$18,000,000. stage, which reached the apot about A single firm in that line of business 3 o'clock in the morning. There was cast handled \$1,000,000 worth of eggs in addition to M. M. Tobey, during the year. In Cincinnati, too, the regular shot-gun passenger, an extra guard, Tom Wood-ruff, aboard. Tobey was walking and tracking the robbers. ous tribe of our country barnyards contribute in no small degree to hu-Coming upon them suddenly one of the robbers said: "You're trying to nutritive properties—equal to one sneak on us, are you!" and at the same | half their entire weight. Goose, duck and hen eggs are the principal kinds produced in America. We have nothing, however, like we are told used to be found in Madagascar, or have been found there, the gigantic woa egg, measuring thirteen and one-half inches in extreme length, and holding he backed down to the stage and se-cured his gun. He then went back of these birds, with a single effort, might the lights of the stage, took a rest with supply a modern boarding house with omelets for a day. The perishable nature of eggs has

naturally detracted from their value stage was firing at Woodruff, who was as a standard article of diet. The incide of the stage. Tobey then went peculiar excellence of eggs depends across, and as he came from behind upon freshness. But lately the prothe stage received a bullet in his right cess of crystalizing has been resorted arm, shatterring one of the bones be-tween the wrist and the elbow, rento, and by this process the natural egg is converted into a delicate amber dering the arm useless. The robber tint, in which form it is reduced then started and ran into some willows seven eighths in bulk compared with by the roadside, followed by Wood-ruff, whom he eluded, and returned to the barrelled eggs, and retains its properties for years unimpaired by the stage, where he went through the any climate. This is indeed an box. While doing so he was constantachievement of science and mechan: ly calling to his comrade, and ly leal ingenuity, and has a most iming on the opposite side of the stage, portant bearing upon the question of cold in death, to come and help him. cheaper food, by preventing waste, equalizing prices throughout the year, Receiving no answer, and magining that something was wrong, he hastily and regulating consumption. In this rified the box, everlooking, in his form eggs may be transported without Detective Hume, in Wells, Fargo & poles, and at any time can be condition spot, and exhumed the body of the dead road-agent, who had been buried where he fell. Hume examined the face of the highwayman, but failed to simply by adding the water which has been artificially taken away. The chief egg-desica ing companies are in St. Louis and New York. No salts recognize him, and a search of his or other extraneous matters are inclothing failed to reveal anything but troduced in the process of crystalizing; a mask, which was made of a piece of gle-d oil-cloth. Whatever Hume discovered during his visit that could Immense quantities of eggs are prehrow any light on the identity of the served in the spring of the year by

robbers he kept to himself tintil he liming. Thus treated they are good returned to the city last Saturday, when he laid the matter before Chief of P lice Crowley and Capt. Lees, to whom he stated that, from information in his possession, he had discovited the desication process, however, the tion in his possession, he had discovered that the deceased and his comparion had been living in a house from four to five more limed eggs are required to make a pound of eggs crystalized than when fresh are used, W. S J nes visited the house on and eggs in the least tainted will not Minus at ect, and, in one of the cryst-lize at all. rooms thy took possession of a Some of the most experienced eggdealers declare that there is no profit in rating poultry to compare with producing eggs. A single hen will lay trom twelve to fifteen dozen eggs found. Photographs of the deceased, whose name was Frank A. Dow, alias Keefe, W. C. Jones, were found. Detective Silvey and Officer John Wallace were then detailed to convert the room and await future decreased. In the east the price per dozen, is much higher. Here we

occupy the room and await future developments. The latter, having a buy them by the dozen Step into case in court yesterday morning, was an eastern produce establishment, reneved by John Coffey. About 11 and they will sell so much for a quarchelock, while Coffey was in the set of overhauling a value, he was interrupted by the ringing of the door bell.
Opening the door of the room sufficiently to give them a glimpse of the front coor, they saw it opened by the lady of the house, who recognized and species to the person who had given speke to the person who had given the summons. He stated that he had come to effect a change of clothing, whereupon she invited him to enter.

As he came abreast of the room where Peru, eggs sell at \$1 a dozen—equal Coffey and Silvey were hiding, they quickly stepped out and grasped the unsus ecting individual, whom they

ferced into the room, where they searched him and found a pistol, as well as beneficial, in a business and domestic point of view. A Curious Animal.

bank, and 150 shares of Tip Top Mining company's stock. Los Angeles Herald, September 18. A lusus nature of most astonishing kind reached Los Angeles yesterday from Arisona. It was no less than a remarkable combination of a jac This weapen was identified as one stolen from a box of one of the steges of a jack rabbit. Its feet were those that had been robbed. The man was then handcuffed and taken to the central station, where he was subjected to a rigid and lengthy examination by Captain Lees. In response to inquiries he said that his name was Lincoln Anthony Sharp, a native of Missouri, and aged 34 years. He re-Missouri, and aged 34 years. He re-fused to tell where he had been withthree inches, porcupine fashion. Hog and rabbit are both powerfully has the information that within this has the information that within this period Sharp visited the city. His dead associate he knew by the name of Frank Keefe or Keith, which he of Frank Keefe or Keith, which he was not sure, and said that he made

WHAT IS MORE TERRIBLE, The watch was found in his room, he said, was given to him by Keefe about two or three weeks ago. This watch has since been identified as one that was stolen from a man named E. B. Shaw, agent for Cutting & Co., on the 19th of June. when a stage was robbed on the Bodic road. Sharp, during his examina on frequently asked to have a chart made day in this sanxiety on this source would be relieved ere long. To the questions regarding his previous occupation and whereabouts, he said that he had garding his previous occupation and whereabouts, he said that he had principally followed mining in White Pine, Pieche and other camps. The money found upon him he said was the proceeds of his savings. He had been on this coast about twelve years, and had worked for Turley Roe, John Allison and others. He and Keefe had money on deposit in the San Francisco Savings Union, and had drawn it out some time ago. His dead companion never deposited any money under the name of W. C. Jones. In Sharp's value was found the moroccomask which he were in his robberies, and a number of pieces of the same

BUSINESS COLLECE This institution, located at Denver, Colorado the Educational and Commercial center of the

MERCANTILE TRAINING Young Men and Ladies.

G. W. FOSTER, President, D. W. CADY, Secretary.

The most extensive, thorough and complete institution of the kind in the world. Thousands of accountants and Business men, in the principal cities and towns of the United States, own their success to our course of training.

The Right Kind of Education for Young Men and Ladies.

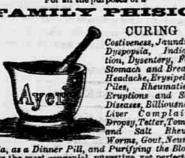

Fine, new brick block at junction of three street car lines. Elegantly fitted and furnished apartments for the application of and carrying out of our novel and systematic methods of

BUSINESS TRAINING

Young men who contemplate a business life, and parents having sons to educate, are particullarly requested to send for our new Circular, which will give fu'l information as to terms condition of entrance, etc. Address

G. W. FOSTER, President, Denver, Colorado.

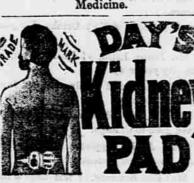

AYER'S CATHARTIC PILLS. FAMILY PHISIC

CURING
Costiveness, Jaundice
Dyspopsia, Indigestion, Dysentery, FouStomach and Breath,
Headache, Erysipelas,
Files, Rheumatism,
Eruptions and Skin
Diseases, Billioutness
Liver Complaint
Bropsy, Tetter, Tomors
and Salt Rheum,
Worms, Gout, Neural
gia, as a Dinner Pill, and Purifying the Blood,
are the most congenisl purgative yet perfected,
their effects abundantly show how much they
excel all other Fills. They are safe and plea ant
to take, but powerful to cure. The purge out
the foul humors from the blood; the
the sluggish or disordered organs into tion;
and they impart health and tone to the whole
being. They were not only the every day complaints of every body, but formidable and dangerous diseases. Most skilful phy-icians, most emin-nt ciergymen, and our best cit zens, sond certificates of cures performed, and of the great
benefits derived from these Pills. They are the
safeet and beft physic for children, because milds
as well as effectual. Eeinz sugar costed, they
are easy to take; and being purely vegetable,
Truey are entirely harmlers.

PREPARED BY DR. J. C. AYER & CO.,
